TANNU PRIYA

WEB DEVELOPMENT INTERN

B.Tech CSE — Artificial Intelligence & Machine Learning

SUMMARY

Motivated and detail-oriented Web Development Intern with hands-on experience in building responsive web applications using HTML, CSS, and JavaScript. Successfully completed project-based tasks, including a landing page, portfolio website, and calculator application during a virtual internship at CodSoft. Strong foundation in front-end development, GitHub, continuous learning, and problem-solving. Seeking opportunities to contribute to real-world web development projects.
